

Little Treasures Preschool Supply List 2018

- 2 rolls of paper towels
- 1 box of crackers, cereal, or pretzels
- 1 gallon jug of 100% fruit juice or 16 juice boxes
- 1 box All-Purpose Dixie cups (3 or 5 oz. is fine)
- 1 box of tissues
- 2 packages of small dessert, paper, plastic, or styrofoam plates
- 2 packages of plastic or styrofoam bowls
- 2 containers of Clorox disinfecting wipes
- 1 package of baby wipes for your child (regardless of whether or not they are potty trained) for messy projects/face cleaning.

All students must have a change of clothing.

This includes pants/shorts/skirt/dress, shirt/sweater, socks, and shoes. An extra set of shoes are optional. It does not matter if your child is potty trained or not. Drink spills, paint messes, touch table items, and muddy playground or wet slide incidents happen to all kids.

Potty Training Note:

- If your child is not potty trained, they need to wear and you need to send in pull up's with tabs and wipes per our handbook. We cannot put creams and/or ointments on your child without a doctor's note per law.
- If your child is potty trained but struggles with wiping, you can send in flushable wipes marked with your child's name on them.

Specialized Diets:

- If your child has a true food allergy, then a separate form will be required to be filled out, as a building requirement.
- If your child has food sensitivities, then please send in a list so we can make sure all staff in our rooms are aware (i.e. not allergic to milk, but too much hurts my child's stomach).
- If your child has supplemental pieces of their diet that need to be incorporated during our snack time, then please let us know and send it in marked with your child's name and the dosage. (For example, "My child drinks PediaSure 1 cup, 1 can", etc. at snack).

Additional supplies may be requested by your child's teacher in August.
